

THE GATES OF HELL WITH HIS ANGEL STANDING BY

NO MORE FREE WILL OUR FREE WILL IS GONE when we die.

We are now under the forces of the other side. Right now while you are alive you have the gift for repentance.

12 feet tall gate 2 French door, it was a brown color, he stood in the middle of nowhere, no wall holding it. People souls looking around.

5 entrances to 5 levels of hell. Infinite line of people on their way to the gate of hell. The majority did not have pain or suffering. Not the pain of the soul body. Physical body is gone, now the pain of the soul body is still there that's why there

We have authority over demons.

Act 1:8 If this is a demon he won't be able to take me to hell.

Mark 16:17 These signs should follow those who believe in my Word.

Gate was just closed,

Some gates are open all the time,

We don't look how we look on earth. The souls don't have affects. The age range was between teenage to young adult.

This place has deceitfully to think they were move on to a better world to rest in peace. How can we rest in peace if we are burning in Hell?
