

GOD'S VICTORIOUS DAY

Repent of your sins for your sin
debt Jesus did pay.

He paid it on the cross that
Victorious day!

Every being in the universe, human,
angels and demons looked on-

This was God's greatest day
his day on the cross!

Jesus overcame death for he took the keys
out of hell.

He is our Salvation from which we fell.

We fell in the flesh when we did sin

We now have a Saved spirit

And life with Jesus within.

No more sin nature, but

nature of the divine

we are now God's children

with eternal life.
