

## **LOVE POTION CURSE BROKEN**

**Pastor Win Worley talks to a Demon**

**Demon:** "I'm bound in by a curse. You break the curse and I will get out."

**Pastor Worley:** "How did you get in there?"

**Demon:** Stupid girlfriend put a stupid curse with love potion on him I'm bound in. Lust spirit. Bound in by the love potion. I was bound in because of love potion.

**Pastor Worley:** He renounced it.

Demon: Its still here the curse, its still here.

**Pastor Worley VO**"Lord Help!"

**Pastor Worley says this Curse Breaker:** "Jesus Christ died on the cross for me and Jesus became the curse on the cross for him and he blotted out the **handwritten ordinances** against him and I declare that this love potion curse is null and void and the curse is broken and destroyed by the blood of Jesus. Out! in the name of Jesus." Thank You Jesus!
