

PRAYER TO CANCEL NEGATIVE WORDS YOU HAVE SAID AND THE ONE BELOW IT AGAINST YOU FROM OTHERS.

“I cancel every negative word that have spoken . Every word that I have released that has been against Your will and Your plan for my life and the lives of others. I ask you to forgive me for it. I cancel it now in Jesus name. Now Lord from this day forward give me conviction, give me understanding from the Holy Ghost when I go crosswise from the Word of God. Help me give me the grace to Say what You said in every situation. Help me to bold, help me to be strong. Heavenly Father, You said whoever the Son sets free is free indeed. Now this day forward my words are not only going to make me free, but whoever I speak them over will be set free. My words shall set them free indeed. I thank You for it. From this day forward I will win and never lose. From this day forward I shall win and never loose, I shall be on top and not the bottom. I am the head and not the tail, thank you Lord in Jesus name. Amen”

“I cancel every negative word spoken against me by others. Every word spoken against me I release now in the name of Jesus. Those people who spoke negative things over my life, I cancel their words now. Those words are useless and have no power in my life. I now Lord Jesus forgive these people for speaking these words over me. I know only Your will and Your plan for my life will be manifested in my life. I ask you to forgive these people that have spoken words against me. I send blessings to these people who spoke against me in Jesus name. Amen.”
